

The comms *package*.

One ready-to-send email and one Teams post per session, grouped by month. Copy, swap anything in brackets, send. A compiled PDF of this page ships alongside it.

M1 October 2026 · See the Talent Around You

GOAL 1 · TALENT MARKETPLACE & TRANSFER PORTAL

Manager Monday · The Talent Read

Reading your team's skills, gaps, and flight risk.

EMAIL

Subject: [Anchor's Edge] Manager Monday this week: The Talent Read

Hi managers,

This month Anchor's Edge is on **See the Talent Around You** (Goal 1: Talent Marketplace & Transfer Portal), and this week's Manager Monday session is **The Talent Read**: Reading your team's skills, gaps, and flight risk.

In 45 live minutes you will:

- Inventory the skills on your team beyond current job titles
- Distinguish real flight-risk signals from everyday noise
- Choose one talent conversation to hold this week

When: Manager Monday, 45 minutes, virtual (calendar invite to follow)

Who: Vanderbilt people managers

Join: open the session on your own screen at me5231979.github.io/Anchors-Edge/courses/oct-monday/ when the class starts. Everything you type stays on your screen.

Can't make it live? The self-paced edition covers the same ground with extra practice:

me5231979.github.io/Anchors-Edge/courses/oct-monday/web/

See you there,

The Futures Learning Hub team

Take-Off Tuesday · On the Map

The Talent Marketplace: what it shows and how to use it.

EMAIL

Subject: [Anchor's Edge] Take-Off Tuesday this week: On the Map

Hi everyone,

This month Anchor's Edge is on **See the Talent Around You** (Goal 1: Talent Marketplace & Transfer Portal), and this week's Take-Off Tuesday session is **On the Map**: The Talent Marketplace: what it shows and how to use it.

In 45 live minutes you will:

- Explain what the Talent Marketplace shows: skills, needs, and opportunities across the university
- Describe what a current skills profile does for you, and what a stale one quietly costs
- Rewrite one duty from your job into a named, searchable skill on your profile

When: Take-Off Tuesday, 45 minutes, virtual (calendar invite to follow)

Who: all Vanderbilt staff

Join: open the session on your own screen at me5231979.github.io/Anchors-Edge/courses/oct-tuesday/ when the class starts. Everything you type stays on your screen.

Thrive Thursday · The Better Question

Softskill · Curiosity: asking better career questions.

EMAIL

Subject: [Anchor's Edge] Thrive Thursday this week: The Better Question

Hi everyone,

This month Anchor's Edge is on **See the Talent Around You** (Goal 1: Talent Marketplace & Transfer Portal), and this week's Thrive Thursday session is **The Better Question**: Softskill · Curiosity: asking better career questions.

In 45 live minutes you will:

- Trade vague career wondering for questions specific enough to answer this week
- Open a career curiosity conversation with a colleague and keep it generous
- Turn one curiosity into one small, dated next step

When: Thrive Thursday, 45 minutes, virtual (calendar invite to follow)

Manager Monday · The Exposure Map · Managers · 45 min, live and hands-on. Walking your team's work through an AI-exposure lens. This month's theme: Spot AI-Exposed Work (Goal 3, AI-Enabled Workforce Readiness). Bring the deck to your own screen: me5231979.github.io/Anchors-Edge/courses/apr-monday/ (missed it? self-paced: me5231979.github.io/Anchors-Edge/courses/apr-monday/web/)

Take-Off Tuesday · The Task Sort

Task-decomposition: automate, augment, or leave alone.

EMAIL

Subject: [Anchor's Edge] Take-Off Tuesday this week: The Task Sort

Hi everyone,

This month Anchor's Edge is on **Spot AI-Exposed Work** (Goal 3: AI-Enabled Workforce Readiness), and this week's Take-Off Tuesday session is **The Task Sort**: Task-decomposition: automate, augment, or leave alone.

In 45 live minutes you will:

- Break your working week into specific, repeatable tasks with outputs and rhythms
- Sort each task into automate, augment, or leave alone, and know the tells for each
- Test one sort call this week in an approved VU tool, checking step included

When: Take-Off Tuesday, 45 minutes, virtual (calendar invite to follow)

Thrive Thursday · The Hype Filter

Softskill · Critical thinking: sorting hype from value.

EMAIL

Subject: [Anchor's Edge] Thrive Thursday this week: The Hype Filter

Hi everyone,

This month Anchor's Edge is on **Spot AI-Exposed Work** (Goal 3: AI-Enabled Workforce Readiness), and this week's Thrive Thursday session is **The Hype Filter**: Softskill · Critical thinking: sorting hype from value.

In 45 live minutes you will:

- Run any claim through three tests: the evidence, the beneficiary, and the mind-changer
- Spot the hype tells: big numbers, no baseline, urgency, and a seller in the byline
- Apply the filter to one real tool-adoption decision this week

Manager Monday · Your Own Evidence

Evidence of the manager standard: what gets measured.

EMAIL

Subject: [Anchor's Edge] Manager Monday this week: Your Own Evidence

Hi managers,

This month Anchor's Edge is on **Measured Leader Behavior** (Goal 2: Manager Effectiveness at Scale), and this week's Manager Monday session is **Your Own Evidence**: Evidence of the manager standard: what gets measured.

In 45 live minutes you will:

- Name the three evidence streams that measure the manager standard
- Read your own pulse and cadence data without a defensive story
- Choose one leader behavior to make more visible this month

When: Manager Monday, 45 minutes, virtual (calendar invite to follow)

Manager Monday · The Four Moves

Translating AI insights into workforce moves.

EMAIL

Subject: [Anchor's Edge] Manager Monday this week: The Four Moves

Hi managers,

This month Anchor's Edge is on **From Insight to Action** (Goal 3: AI-Enabled Workforce Readiness), and this week's Manager Monday session is **The Four Moves**: Translating AI insights into workforce moves.

In 45 live minutes you will:

- Name the four workforce moves: reskill, redeploy, redesign, and hire
- Match one AI-exposure insight from your team to the move it calls for
- Commit to one move with a named owner and a real date

When: Manager Monday, 45 minutes, virtual (calendar invite to follow)
